

# Healthy Lawns and Healthy Waters

## Rainwater harvesting and turf management online training August 27

Texas A&M AgriLife Extension Service's [Healthy Lawns and Healthy Waters Program](#) will host a residential rainwater harvesting and turf management training August 27 for Lampasas and Mills counties.

The free event will be online from 10 a.m.–2:30 p.m. with a half-hour lunch. **Online registration is required.** Attendees can RSVP [online](#) or contact John Smith, AgriLife Extension program specialist, College Station, at [johnwsmith@tamu.edu](mailto:johnwsmith@tamu.edu) or 979-204-0573. **Those who RSVP to the event will receive updates, instructions to join the online meeting and materials related to the meeting via email.**

The training is offered in collaboration with the Lampasas River Watershed Partnership.

**Attendees can submit a soil test by picking up and dropping their soil sample and Urban Information sheet off after August 10 to the AgriLife Extension offices in Lampasas or Mills Counties prior to or by one week after the meeting.**

The training will include information on how to understand soil test results and nutrient recommendations so residents can interpret results once the analysis is mailed to them.
