

# TEXAS Watershed Steward

## Lampasas, TX

Workshop provided through Clean Water Act 319 nonpoint source grant funding from the TSSWCB and U.S. EPA

The Texas Watershed Steward program is a free, educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

**January 28, 2021:  
1:00 pm - 5:00 pm**

Lampasas County Courthouse Annex  
409 South Pecan Street  
Lampasas, TX 76550

**In-Person & Virtual Attendance Options Available**  
Preregistration Required

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Lampasas River watershed. Efforts by Texas A&M AgriLife, and best management practices local stakeholders may use to help improve and protect their water quality, will be highlighted. Free continuing education credits/CEUs offered for a wide variety of professional disciplines. For a complete list of continuing education offered, or to register, visit our website or call the number below.

Pre-register for the workshop by going to:
